

## 2-Hour CA-DBO SAFE Mortgage Law Syllabus

**Course Hours:** 2

**Instructional Mode:** Distance Education

**Instructor:** James Dougherty

### Learning Resources

*2-Hour CA-DBO SAFE Mortgage Law*, online text

### Course Description

Allied's 2-Hour CA-DBO SAFE Mortgage Law course is a 2-hour online prelicensing course. It is designed to satisfy the pre-licensure education requirements of the SAFE Act. The course covers 2 hours of CA-DBO specific agency regulations, which includes California Residential Mortgage Lending Act (CRMLA) and California Finance Lenders Law (CFLL).

### Course Outcomes

After completing this course, you should be able to:

6. Differentiate among the types of mortgage loan originator licenses in California and recall the requirements for CRMLA licenses.
7. Recall the purpose of the CFLL and identify the types and requirements for CFLL licenses. .

### Study Guide

The course is divided into two topic-related units. In general, each unit's concepts and material build cumulatively. As such, the course is set in a linear fashion to best facilitate successful completion of the course. Study any supplemental resources provided with your course to give you greater depth of understanding of the subject matter. Completed course content is available to you at all times so that you may review previous content and assignments. This will help you anticipate your workload and understand how the course concepts are integrated and build upon one another.

### Student Attendance Policy

Attendance is measured by the completion of participatory events by specified times. You are required to complete a participatory by 2:00 P.M. PST. If you do not complete the participatory event by this time, you may be administratively withdrawn from the course. A participatory event is defined as a graded item that is a component of the overall course grade or a discussion board posting.

### Late Assignment Submission Policy

You will be penalized 20% for every hour that the assignment is late. Instructors will respond and grade assignments within 2 hours of the required submission time.

### Non-Starts, Incompletes, and Extensions Policy

Students who are withdrawn from their course are granted one complimentary restart. You must contact Allied within 30 days of the original start date to schedule the complimentary restart. If you do not contact Allied within 30 days of the original start date to schedule, the restart will be assessed a reenrollment fee. The nature of this course does not allow for extensions. All assignments must be completed within the course time frame. Students who cannot successfully complete by the course termination time will be assessed a reenrollment fee if they choose to reenroll.

### Grading/Evaluation Policy

Evaluation is linked directly to the course objectives. Performance is measured by online exams, an activity, and a final exam. To complete this course successfully, students must complete two units including all reading assignments and exams, submit an activity to the instructor, and complete the course final exam. In order to pass the course, you must pass the final exam and have a cumulative grade of 70% or higher.

### Student Integrity and Academic Honesty Policy

Allied Schools strives to encourage a spirit of honesty and integrity. This policy was created to foster a climate that promotes the most stringent academic standards. Violations of this policy will be dealt with using fair and consistent methods. Committing one or more of the following actions is considered unacceptable and constitutes a violation of this policy:

- Intentionally using or attempting to use unauthorized materials in any academic exercise;
- Intentionally aiding or attempting to aid another student to commit any act of academic dishonesty;
- Bribing or attempting to bribe, or making threats against any individual, with the intention of affecting a grade or an evaluation of academic performance;
- Falsifying any documents; and
- Accessing the institution's computer systems or files without proper authorization.

### Course Schedule

The following schedule lists the time of day that the assignments for each unit will be due. The class starts at 8:00 A.M. PST and concludes 8:00 P.M. PST. Assignments are due according to the following schedule. Refer to the Student Attendance Policy and Late Assignment Submission Policy for information regarding penalties for required attendance and late submissions.

### Final Exam Information

The NMLS requires that you spend a minimum of 2 classroom hours\* in this course. As such, you will not be permitted to access the Final Exam until you have logged 90 minutes in the course. If you complete the coursework before the 90-minute mark, log the appropriate time by reviewing the units of content. You will be logged out of the course after 6 minutes of inactivity.

\*A classroom hour is defined as 50 seat minutes for each clock hour the course is approved

You may only take the final exam after you have completed each of the required assignments. The final is an open-book exam and will cover the entire course. The final consists of 15 multiple-choice questions. You will have 30 minutes<sup>†</sup> to take the exam and you must score a minimum of 70% to pass. If you do not complete the exam by the time it expires, the incomplete exam will auto-submit and be graded.

<sup>†</sup>The NMLS specifies that the Final Exam only count towards 10 minutes of the overall course. However, you are provided 30 minutes in which to take the exam.

You may retake a different version of the final with no penalty as long as the retake occurs before the course termination time.

### System Requirements

<b>Component</b>	<b>Requirement</b>
<b>Computer and processor</b>	500-megahertz (MHz) processor or higher <sup>1</sup>
<b>Memory</b>	256 megabyte (MB) RAM or higher <sup>1,2</sup>
<b>Hard disk</b>	2 gigabyte (GB); a portion of this disk space will be freed after installation if the original download package is removed from the hard drive.
<b>Display</b>	1024x768 or higher resolution monitor
<b>Operating system</b>	Microsoft Windows XP with Service Pack (SP) 2, Windows Server 2003 with SP1, or later operating system <sup>3</sup>
<b>Other</b>	<p>Certain inking features require running Microsoft Windows XP Tablet PC Edition or later. Speech recognition functionality requires a close-talk microphone and audio output device. Information Rights Management features require access to a Windows 2003 Server with SP1 or later running Windows Rights Management Services.</p> <p>Connectivity to Microsoft Exchange Server 2000 or later is <i>required</i> for certain advanced functionality in Outlook 2007. Instant Search requires Microsoft Windows Desktop Search 3.0. Dynamic Calendars require server connectivity.</p> <p>Internet Explorer 6.0 or later, 32 bit browser only. Internet functionality requires Internet access (fees may apply).</p>
