### Course Description

This course focuses on Florida's mortgage licensing requirements. You will learn about the mortgage loan origination, mortgage brokerage, and mortgage lending businesses in Florida and how they are regulated. The three major types of licenses and the qualifications to obtain these licenses will be outlined. You will also learn about the major compliance issues and the grounds for discipline regarding the mortgage industry.

### Course Outcomes

After completing this course, you should be able to:

1. Recognize Florida's rules and regulations regarding mortgage loan origination, brokerage, and lending.
2. Specify compliance issues and disciplinary action regarding mortgage loan origination, brokerage, and lending.

### Study Guide

The course is divided into two topic-related units. In general, each unit's concepts and material build cumulatively. As such, the course is set in a linear fashion to best facilitate successful completion of the course. Study any supplemental resources provided with your course to give you greater depth of understanding of the subject matter. Completed course content is available to you at all times so that you may review previous content and assignments. This will help you anticipate your workload and understand how the course concepts are integrated and build upon one another.

### Student Attendance Policy

Attendance is measured by the completion of participatory events by specified times. You are required to complete a participatory by 2:00 P.M. PST. If you do not complete the participatory event by this time, you may be administratively withdrawn from the course. A participatory event is defined as a graded item that is a component of the overall course grade or a discussion board posting.

### Late Assignment Submission Policy

You will be penalized 20% for every hour that the assignment is late. Instructors will respond and grade assignments within 2 hours of the required submission time.

### Non-Starts, Incompletes, and Extensions Policy

Students who are withdrawn from their course are granted one complimentary restart. You must contact Allied within 30 days of the original start date to schedule the complimentary restart. If you do not contact Allied within 30 days of the original start date to schedule, the restart will be assessed a 15% reenrollment fee. The nature of this course does not allow for extensions. All assignments must be completed within the course time frame. Students who cannot successfully complete by the course termination time will be assessed a 15% reenrollment fee if they choose to reenroll.

### Grading/Evaluation Policy

Evaluation is linked directly to the course objectives. Performance is measured by online exams, an activity, and a final exam. To complete this course successfully, students must complete two units including all reading assignments and exams, submit an activity to the instructor, and complete the course final exam. In order to pass the course, you must pass the final exam and have a cumulative grade of 70% or higher.

### Student Integrity and Academic Honesty Policy

Allied Schools strives to encourage a spirit of honesty and integrity. This policy was created to foster a climate that promotes the most stringent academic standards. Violations of this policy will be dealt with using fair and consistent methods. Committing one or more of the following actions is considered unacceptable and constitutes a violation of this policy:

- Intentionally using or attempting to use unauthorized materials in any academic exercise;
- Intentionally aiding or attempting to aid another student to commit any act of academic dishonesty;
- Bribing or attempting to bribe, or making threats against any individual, with the intention of affecting a grade or an evaluation of academic performance;
- Falsifying any documents; and
- Accessing the institution's computer systems or files without proper authorization.

### Course Schedule

The following schedule lists the time of day that the assignments for each unit will be due. The class starts at 6:00 A.M. PST and concludes 6:00 P.M. PST. Assignments are due according to the following schedule. ### Final Exam Information

The NMLS requires that you spend a minimum of 2 classroom hours\* in this course. As such, you will not be permitted to access the Final Exam until you have logged 1.5 real hours (90 minutes) in the course. If you complete the coursework before the 90-minute mark, log the appropriate time by reviewing the 2 units of content. You will be logged out of the course after 6 minutes of inactivity.

\*A classroom hour is defined as 50 seat minutes for each clock hour the course is approved

You may only take the final exam after you have completed each of the required assignments. The final is an open-book exam and will cover the entire course. The final consists of 15 multiple-choice questions. You will have 30 minutes to take the exam and you must score a minimum of 70% to pass. If you do not complete the exam by the time it expires, the incomplete exam will auto-submit and be graded.

You may retake a different version of the final with no penalty as long as the retake occurs before the course termination time.
